

MID-YEAR STRATEGY RESET

Step out of the day-to-day. Build a clearer plan for the **second half**.

July 16 | 8:30 AM – 12:30 PM

**Serendipity Labs
700 Canal St, 1st Floor
Stamford, CT 06902**

A focused working session for owners, operators, and leadership teams to reflect on the first half, reset priorities, and create a practical path forward for the second half.

We'll reset:

- What changed in the first half
- What still matters most
- What should be kept, changed, or cut
- Where ownership needs to be clearer
- How to turn the reset into priorities your team can run

Walk away with:

- A clearer second-half plan
- Fewer, stronger priorities
- Clearer ownership
- A practical reset for your team
